W612

W612, the stylish and modern tourbillon Qibla watch, with multiple digital screens, comes in four colors: golden, silver, black, and two-tone gold and silver. These features give it a sleek and elegant look. The W612 has the most useful salat-related functionalities, like azan alarms, Quran bookmark, and Qibla directions.

W599

The W599, with its tank-shaped digital screen, comes in three colors: golden, silver, and two-tone gold and silver. These features give it a sleek and elegant look. The W599 has the most useful salat-related functionalities, like azan alarms, Quran bookmark, and Qibla directions.

W604

W616

W323

The W604 Al-Iqamah watch, with its tank-shaped screen and dual displays, comes in five different elegant color combinations. These features give it a classy and sleek look. The W604 has the most useful salat-related functionalities, like prayer times, azan alarms, and Qibla directions.

The W616, with its round-shaped digital screen, comes in three colors: golden, silver, and two-tone gold and silver. These features give it a sleek and elegant look. The W616 has the most useful salat-related functionalities, like salat times, azan alarms, Quran bookmark, and Qibla directions.

W323, the stylish sport Qibla watch with rubber straps, is suitable for sport and fitness lovers. It is comfortable to wear as it stays fixed on your wrist without uncomfortable movements. The watch comes with dual displays; it shows a real Qibla direction through the second hand; the azan alarms; the stopwatch; the timer; and many other functionalities are also included in the watch.
